

Bruno Conti

Finance and Administration Manager

Bruno Conti is originally from Brazil, and it is the second time he lives in Mexico, where he had worked before from 2015 to 2017.

Bruno has a degree in Business Management from the Universidade Federal de Lavras (UFLA) in Brazil, and concluded part of his degree at the Northern Michigan University (NMU), located in Marquette, MI (USA). In **2013**, he earned his Post Grad Degree in Corporate Finance and Investment Banking from FIA-USP in Brazil.

His career started in **2011** working for Alcoa Aluminum (affiliate of Alcoa Inc.), as Finance Analyst, being promoted to FP&A Analyst and later on to leader of the Center of Excellence in FP&A for Latin America.

In **2014**, Bruno moved to Videojet Technologies, a Danaher company, where he started a Sr FP&A Analyst for Latin America, and in early 2015, was appointed as Acting Controller for Videojet Chile for an international assignment.

Later in **2015**, Bruno moved to Mexico City for an assignment of two years as Controller of Videojet Mexico, returning to Brazil in **2017** as Controller for Brazilian operations.

In **2018**, Bruno joined Chiesi Mexico as Head of Finance and Administration, being responsible for Finance, Logistics and IT.
